Jason McElvain

Full-Stack Developer

Houston, Tx (423)903-7401

github.com/MacSupportPlus | www.linkedin.com/in/jason-mcelvain | https://supportplusmac.com | jasonmcelvain2@gmail.com

I am a veteran from the United States with over seven years of mechanical experience working on the LHD-5 USS Bataan as a Maintenance technician assigned to Main Propulsion division 9. I retired in May of 2019 because I wanted a life change so I sought to further my education. I am currently enrolled into DigitalCrafts in Houston where I will be graduating as a full-stack developer with tons of confidence and an eager drive to fully make my splash into this world as a software developer.

SKILLS

- HTML5, CSS3, Bootstrap, JS5
- Python, Javascript
- Node.Js, React.Js, Express, DjangoORM, Mongoose MySQL,POSTGRES, MongoDB, SQLite
- Sequelize, jQuery, JSON, Socket I.O. , github and AWS. and Heroku

OBJECTIVE

- To obtain a entry level position as a full-stack developer at a thriving company whom is willing to invest in my growth as a software developer.
